Raytheon Engineering Competition Application

Application Due Date: 2/10/10 by 3 p.m. to room 206

Competition Date: 2/19/10

Student Name: _____

Student Grade: _____

“As part of the local high school outreach event, **Raytheon** is hosting an engineering event for students during the engineering week of February. The students will participate with Raytheon engineers as part of a multi-disciplinary team in a competitive event involving engineering design and construction. Trophies will be awarded to the winning teams, along with individual medals.

For students that are interested in science or engineering as a career, this event could help provide the drive to pursue that path.”

Previous years events:

2009 – build a water powered generator (third place)

2008 – build and race a hover craft from a leaf blower (first place)

2007 – build a transistor radio from office supplies (first place)

Brahma Tech is sending a team of one teacher and three students. **ONLY** Brahma Tech students can participate. To qualify you must complete and submit this application to Mrs. Wan in room 206 by 3 p.m. on February 9th. Finalists will be announced 2/11/10.

Overall G.P.A.: _____

Technology/Science/Math Teacher Recommendation:

Please explain why this student would be an ideal candidate for this competition. Use the back if necessary.

Teacher Name: _____

Subject: _____ Grade: _____
