To Whom It May Concern:

I am a Video Production student at Diamond Bar High School. Our program is putting on a film festival in May at the Diamond Bar High School theatre. This event will showcase students' top short films, commercials, music videos, and movie trailers. This annual event will be open to family, friends, and people from the community.

We are currently seeking financial sponsorships to help with prizes for the winning videos, advertising, general donations, or prizes to raffle off to the audience. Can I count on your support? Please pledge your support by contacting our video teacher Ryan Maine through telephone or e-mail. We can arrange a pick up of your donation at a time that works best for you. You can also mail any donations, certificates, or money to Diamond Bar High School. All contact information is located below. Thank you in advance for your willingness to help and your support for our video program at Diamond Bar High School.
