

TEEN SCENE UNPLUGGED

YIKES! A Teenager Lives in My House!

How do you give them
SPACE and GUIDANCE at the same time?

"Teenagers are like barbeque chicken. Just because they may look done on the outside does not mean they are done on the inside." *Tyler Durman*

Understand your teens and their world. What do you need to know about your teens (and their friends)? What can you do to avoid teen trouble? What do you do if you think your teen needs help?

Tyler Durman, one of America's top speakers on teen issues, will address the myths and ideals of parenting today's teens and pre-teens. He will provide important tips and tools to help parents communicate and connect with their children, guide them to make the right choices, and prepare them to be successful adults.

All parents (even those with younger children) are welcome. It's not too early to be prepared!
