DJ & Sound by 3D Sound (Amit Kotecha)

This is a fundraising event that celebrates the Indian and sub-continent cultures and fosters the spirit of multicultural community. This event raises funds for development of various school programs & activities.

This is a great opportunity to bring about a positive change for our community. There are many ways to get involved: Ads in brochure, sponsoring our event, etc. **We would like to celebrate with you,** looking forward for your participation.
