ANALYSIS PROBLEM # 17

Name: _____ Period: _____ Row: _____ Date: _____

PROBLEM SEVENTEEN: Good Police Work! One evening during a Christmas vacation period, three young boys, in Minnesota, broke into a junior high school building without being seen. When police were called to investigate the incident, one alert police officer made a discovery that quickly allowed the police to find and arrest the young vandals at one of their homes. What was the clue that allowed the police to find the vandals?
