Dear Parents/Guardians and the **Class of 2023**:

Congratulations! You are about to achieve a major milestone in promoting from middle school. In August, you will begin the most exciting four years of your life—high school. What makes it even more exciting is that you will attend one of the finest high schools in California—**Diamond Bar High School**.

To help make the transition from middle school to Diamond Bar High School as smooth as possible, the Class of 2023 Grade Level Coordinators and Instructional Deans will meet with incoming Brahmas at their middle schools on Monday, March 4 (South Pointe MS) and Tuesday, March 5 (Chaparral MS). On these days, we will review the registration process, class choices, and graduation requirements. We will return to the middle schools to collect the pre-registration forms as follows: South Pointe MS on March 13 and Chaparral MS on March 11 and 12.

At 6:30 p.m. on Thursday, March 7, 2019, Diamond Bar High School will host an **Eighth Grade Student & Parent Night** in the DBHS Gym. The evening will include the opportunity to meet and hear from the Principal, as well as the Class of 2023 Grade Level Coordinators, Instructional Deans, and Assistant Principal. **All incoming members of the incoming class of 2023 are encouraged to attend Eighth Grade Student & Parent Night along with their parents.** Diamond Bar High School's Open House takes place that same evening. All students and their families are welcome to attend this annual event to see the outstanding accomplishments of our current students. Please see the Open House flyer on the reverse side of this letter.

Please take the time to carefully read all the DBHS Registration materials given to your child. Because we want you and your child to discuss class selections as a family, the registration form must be **SIGNED BY A PARENT**. Placement in academic classes will be based on recommendations from the middle school teachers, student test scores, and grades. The courses your child selects will determine the schedule he or she receives for next year, so again, please read the registration materials, attend the Eighth Grade Student & Parent Night, and discuss all choices before signing the completed form.

The staff of Diamond Bar High School looks forward to having your child as part of the **Class of 2023!**

Sincerely,

David Hong
