### ANALYSIS PROBLEM # 2

Name: \_\_\_\_\_ Period: \_\_\_\_\_ Row: \_\_\_\_\_ Date: \_\_\_\_\_

**PROBLEM TWO: Ashes to Ashes:** A woman walked into the living room of her house late one evening. As she walked into the room she saw the remains of her husband, who had shot and killed himself. She stared for several minutes crying but did not call the police. She then proceeded to clean and vacuum the room. How do you explain her behavior? Why do you think she failed to call the police?
