ANALYSIS PROBLEM # 10

Name: _____ Period: _____ Row: _____ Date: _____

PROBLEM TEN: The Man With A Mask: A man worked very hard at his profession and as part of his work he traveled a great deal. He was always excited when he was able to have a chance to go home. On this Saturday afternoon as in the past the man was excited once again about going home. His excitement quickly changed to being afraid to go home on this day because there was a man wearing a mask waiting for him. Why was he really afraid to go home on this day?
